On 06/16/09, I was dispatched to 212 Marseille Drive Maumelle, AR about a man looking through a window. Upon arrival, I spoke with Mr. David Kelley, the victim, who stated that his wife was awakened by a rattling noise at the French doors to their bedroom. The victim stated that he went to the kitchen to look out the back door and when he turned on the outside back light he saw a white male looking into the window. The victim stated that the subject was a white male, approximately early twenties in age, with dark short hair, was slender to medium built, approximately 6'0, and was wearing shorts with no shirt. The victim stated that when he turned on the outside light and looked through the back door the subject jumped the retaining wall and ran between his residence and 214 Marseille Drive heading towards the front of the residence. The victim stated that he went to the front of his house but lost sight of the subject. Cpl. Ivey and Ofc. Podawiltz attempted to track with canine Razor, while other Officers patrolled in the area. Subject was unable to be located. While at the residence, Officers, received another call about a white male looking through a backroom window at 150 Marseille Drive.
